Speed Violation  
Monitoring Program

## Speeding Fact Sheet

Legislation has been enacted to allow the city of New York to issue Notices of Liability for speeding violations based on images taken by an automated camera. The speed cameras are installed to deter motorists from committing speeding violations. The enforcement of these violations has been given to the Department of Transportation.

The enclosed images were taken automatically by such camera. The Speed Camera monitors the speed of a vehicle traveling on the roadway. When a vehicle is traveling in excess of 10 MPH over the posted speed limit the camera automatically takes two (2) photographs less than one second apart. The images show the speed limit, violator speed, date, time and location of the violation. (Refer to sample Data Field explanations, below). A flash unit allows the camera to operate at night as well as in the daylight.

When a speed offense is photographed, the registrant is mailed a Notice Of Liability along with one or more images showing the violation. The registrant is liable for a fine, currently \$50.00, but will not receive points on his or her driver's license.

Under the law, the registrant can be held liable even if he or she was not the driver if the car was photographed speeding.

The enclosed Notice of Liability describes the procedures for paying the fine or pleading not guilty and requesting a hearing. Please read all the information carefully.

## Red Light Fact Sheet

Legislation has been enacted to allow the city of New York to issue Notices of Liability for Red Light violations based on images taken by an automated camera. The Red Light cameras are installed to deter motorists from committing Red Light violations. The enforcement of these violations has been given to the Department of Transportation.

The enclosed images were taken automatically by such a camera. The Red Light Camera is connected to a traffic light and is only active when the light is red, not when the light is green or yellow.

Vehicles crossing the stop line or entering the crosswalk after the light turns red are detected automatically. The camera takes two photographs, approximately one second apart. The images show the date and exact time of the violation as well as the number of seconds since the light had turned red. (Refer to Data Field explanations below). A flash unit allows the camera to operate at night as well as in daylight.

When a Red Light offense is photographed, the registrant is mailed a Notice of Liability along with one or more images showing the violation. The registrant is Liable for a fine, currently of \$50.00, but will not receive points on his or her driver's license.

Under the law, the registrant can be held liable even if he or she was not the driver when the car was photographed going through the Red Light.

The enclosed Notice of Liability describes the procedures for paying the fine or pleading not guilty and requesting a hearing. Please read all of the information carefully.

Dear Administrative Judge:

**RE: ALROY RICHARDS, TICKET #868549900-8, Issued on FEBRUARY 15, 2019  
ALONG OCEAN AVENUE, BROOKLYN, N.Y. 11226**

Good day to you. My name is ALROY RICHARDS, owner, and operator of the material Nissan Altima (sedan) motorcar. I had parked my motorcar overnight, along Ocean Avenue, in the vicinity of #708, facing the general easterly direction (i.e. towards Beverley Road), on February 15, 2019. Now, I do not intend on wasting precious time of your institution, but, as outlined prior, it seems I am being targeted, using "technology", and possible manpower communications coordination, to ensure that my motorcar is tracked, and ticketed. Kindly see prior complaints, particularly with respect to this said Ticketing Officer, D. BAY. I say no more, as it is not coincidence, or simply "doing a job". The grave disparity has now been revealed.

The ticket #868549900-8, is suggesting that I had parked my motorcar three (3) feet away from the hydrant. There are five (5) photographs attached, as to where the motorcar was parked, and that this is its original position, as at the material time. Almost three quarters (3/4) of my car could have been used to fill the gap, in the photograph. I see motorcars that are spot on, at the hydrant, even on that same morning, in the same area, but I can assure you, that no tickets were issued on these parked motor vehicles, or the occupants/owners. It is so obvious. apparently, it could be said that "my motorcar was ticketed", and that not only that reasons were not, or, will not be disclosed as to why the others were not ticketed, but that I should "concentrate on my matter, only". Okay. I leave the photographs in your capable hands, as you make your deliberations. Look at the distance of the motorcar, from the hydrant, versus the allegations on the ticket.

Thanking you.

Yours sincerely

Dear Manager:

**RE: ALROY RICHARDS – TRAFFIC TICKET #145124690-0**  
**ISSUED ON FEBRUARY 8, 2019 – OCEAN AVENUE, BROOKLYN, N.Y. 11226**

---

Good day. Reference is made to the subject. I must state that I have already complained about the illicit profiling of me, by the police, for no stated reasons, inclusive of illegally placing electronic and other vehicular, computer, cell phone, and manpower surveillance on me. I have made several reports, including to Internal Affairs Division, about aspects of this discriminatory practice.

On the day in question, I parked the motor vehicle along Ocean Avenue, as I saw that a marked police vehicle was following me, This is being done everyday: on my way to work, on pleasure, business, and just about going places that I am legally allowed to proceed to. I am not in any gang, nor carrying on any illegal business, nor practice. Yet, these despicable acts, by the police, continue. On the night in question, and in an effort to present myself to members of the public, whom were nearby, as the police were following me, I disembarked from the motorcar, and barely proceeded to check on my rear tyres, as they felt less than fully inflated. The monitor on the motorcar showed this, as I had earlier hit a large pothole. Upon returning to the motorcar, I saw that the police were scanning the chassis number instrument, located at the front right section of my motorcar.

As I am aware of many potential possibilities, I decided not to ask the police any questions (my October 15, 2018 experience - and subsequent ticket issued, and Internal complaints, prompted me to be quite careful). I present this information, to show that my many complaints about being harrassed, are not without merits. The pattern of how tickets are being issued, and where, are clear indications. Simply, I am being targeted by the police, using technology (abuse of power, and authority), that should be used to target, and track drug pushers, illegal firearms dealers, "shottas", murder perpetrators, and those of similar ilk. My complaints, via formal means, will continue. Due to the fact that a resident register complaints, against the police, doesnt mean that all police are "terrible", or that law enforcement is not doing a good job.

A copy of the material ticket is attached.

Dear Manager:

**RE: ALROY RICHARDS, JEB 5810 – TRAFFIC TICKET #873165132-0**  
**Issued FEBRUARY 13, 2019 (Queens, N.Y.)**

---

Good day. I am the owner and operator of the said motorcar, so mentioned. On February 13, 2019, I had parked my motorcar, at 9:40 am, on a road way, parallel to Sutphin Boulevard, and near to 89th Street, in Queens, N.Y. Purpose of my visit there, was to attend on a very important Civil case, at the nearby Supreme Court, in which I am the Litigant/Plaintiff (severe injuries to neck, and spine) . The meter number is 4081941, and the two(2) hour ticket I had purchased, is #81265. Hence, I left for the Court house. There were a lot of cases in the Court, on that day, as I had realized, upon my arrival, to the Court Room. The principle is that one need to appear (or have a representative) for their matter, or the case could be dismissed. I filed the matter on my own, and it is a large suit.

There was a recess from Court, and that is when I returned to the area, and realized that Traffic Ticket #873165132-0, had been placed on my motorcar, for expired parking meter fee. I saw the (female) Issuing Officer, a few metres away from my car, standing. Time of the ticket is 11:47 am, just about the time, or so, that I was heading out of the Court Room, for the 1 1/2 minute walk, back to where I had parked the motorcar. Information received is that once ticketed, one can leave the Traffic Ticket on the windscreen, to show other Ticketing Officers that the car was already ticketed. My intention upon my initial return, to the motorcar, was to purchase another two(2) hour ticket. Subsequently, and being unable to determine what may take place, at Court, when I return there, and that I may be unable to return to the motorcar, to avoid another similar Traffic Ticket, I left the Traffic Ticket on the car, and returned to the Court house.

I later returned to my motorcar, at 2:08 pm, where I purchased another two(2) hour ticket #81284, placed it on my motorcar, and left, for Court, which was again reconvening. Copies of the tickets I purchased from the meter, are attached, for your perusal. Also attached, is a copy of an important document, from the Court (signed by Hon. Justice Mr. Ulysses Leverret), as an indication of the verification of what I am reporting. Other Court documents also exist, but I only enclosed just this one.

RE: ALROY RICHARDS, JEB 5810 – TRAFFIC TICKET Issued JANUARY 21, 2019  
21<sup>st</sup> Street and Church Street (Brooklyn) – TICKET #871505993-5

---

Good day to you. My name is ALROY RICHARDS, owner and operator of the said motorcar. On Sunday January 20, 2019, I parked my motorcar overnight, within reasonable permissible parking, at that time. The location was near to 21st Street, and Church Street, Brooklyn. MONDAY JANUARY 21, 2019, was a nationwide HOLIDAY, being DR. MARTIN LUTHER KING'S DAY. Said motorcar was parked on a one way street, along with other motor vehicles. Both sides of the street were lined with motor vehicles.

Realizing it was a PUBLIC HOLIDAY, and having had information about PARKING ARRANGEMENTS, which were REASONABLY being done, and no outrageous infractions, I believe that the City of New York eased parking restrictions, within a certain time, since it is a Holiday.

Can someone please address this for me? Irrespective of the location, County, street, can I get the general view, with respect to parking easements on a Public Holiday? In addition, I need to find out about this particular circumstance. Now, NO OTHER MOTOR VEHICLES IN THAT VICINITY WERE TICKETED. On my return to that area, the said motor vehicles were seen parked, as was mine. I would like to know, based on the FREEDOM OF INFORMATION LAW, WHETHER ANY OTHER VEHICLES WERE TICKETED (For similar, and any infractions), AT THAT LOCATION, ON THAT DAY. The sequencing of the tickets, in my view, should follow in numeric sequence. Sign posted in this area stated, "TRUCK and LOADING ONLY, 6:00 am - 10:00 am. Time on the ticket was 10:57 am. Further, there are no signs that I have seen, which state "EXCEPTING ON HOLIDAYS", even when parking easements are in effect.

In my view, this is rather absurd. Vehicles parked in the entire New York City on Holidays, Sundays, and Saturdays and Sundays, where allowed, would have been ticketed then. My checks with the Walgreens facility, at the corner, where the car was parked, revealed that I should not have been ticketed, as this was the norm, for vehicles to be allowed to park there, on Sundays, as well as on Public Holidays. They also told me that no deliveries to that establishment, are done on Sundays, nor Public Holidays.

I await your considerations, and have attached a copy of material Traffic Ticket #871505993-5, along with three(3) photographs of the specific area.

RE: ALROY RICHARDS – TRAFFIC TICKET #871061690-1, Issued JANUARY 25, 2019  
Flatbush Avenue and Beverley Road, Brooklyn

---

Good day. My name is ALROY RICHARDS, owner and operator of the said motorcar. On the day in question, Friday January 25, 2019, my motorcar was parked at the location at Flatbush Avenue, almost across from Beverley Road (Brooklyn, N.Y.). My motorcar was well within the required time limit, as I had parked there overnight (Thursday January 24, 2019). There exist a sign that is indicative of NO STANDING, instructing hours between 7:00 am - 10:00 am. At 6:55 am, I attended on my motorcar, went and sat inside, after starting my motorcar. I realized that a Ticketing Officer was near my motorcar. This Officer began observing me, inside my motorcar, and I kept looking at my watch. The Officer then went away. Due to the fact that I was early for work, and having an important matter to attend to, I stayed inside the motorcar.

I then observed the Officer encircling my motorcar, and as if taking off the license information. Therefore, I motioned to the Officer, that not only was I present, inside the motorcar, but that the time had not expired. There were a few other vehicles parked in this area, facing the same direction, as my motorcar. The drivers/operators were also inside their motorcars. Hence, I remained inside mine. Shortly after, I again saw the Officer encircling my motorcar. However, this time, the Officer began scanning my chassis number disc area, at the front of my motorcar. In an effort not to move the motorcar, for the safety of the Officer, I remained inside my motorcar, and again, motioned to the Officer, that I am present, and wished to proceed to drive off, but could not do so, for safety reasons.

It was a very cold day, and I am an arthritic carrier, and needed to get extensive heating, from the car airconditioning system, before I could move off, to assist me to properly function.

In light of the above, I am not sure that the Officer acted with due observance, especially that I was present, and that the time had not yet expired. Probably due to my "motioning", the Officer may have "insisted that it is better to stay around, to teach this one a lesson". Other drivers nearby, in a similar position, were not treated the same way, as I was, at the material time.

Please review the details that I have presented, as I think that the Officer, in all respects, were not using reason, but may be acting with disdain. Please find attached, copy of the related Traffic Ticket, along with four(4) copies of photographs of my motorcar, in the area mentioned, at the material time.

Looking forward to your checks, and reply.

Thanks.

**REPORTED VIOLATIONS, TOTALLING \$490.00**

My letter to you of December 26, 2018 (copy of which is again attached), is self explanatory. Relative to outstanding amounts, and bank information requested, via your form, which was also duly completed, and submitted by me, in relation to payment arrangements, I have not seen any deductions from my bank account. Your Office last requested details, such as bank account number (copy of form attached). Hence, I thought a deductions would have commenced.

Subsequently, I received additional violations, in the mail, making the outstanding profile, as follows:

<u>Date</u>	<u>Place</u>	<u>Allegation</u>	<u>Ticket #</u>	<u>Amount</u>
11/18/2018	Linden Blvd./ Fountain Avenue	Red Light	5104488690	\$50.000

Please note the following:

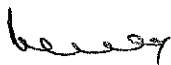

EXH-24

- That I am unaware of, or may not be associated with your report for 03/28/2018, as I wasn't driving any such motor vehicle, as at date noted. Motor car acquired September 22, 2018.
- That total of \$240.00 (as per your prior correspondence), are to be added to this proposed total.
- That even though I have not been furnished with all the details, and is not appealing, nor challenging your reports, that it be noted, that I am paying, in good faith.
- As your correspondence noted, that these violations did not assign demerit points to my Driver's License.
- That the total now, appears to be four hundred and ninety dollars (\$490.00).

I am applying for an arrangement, under Poor Person portfolio, to pay this amount, over nine(9) months, commencing now. Therefore, fifty five dollars (\$55.00) per month, starting today, being that this \$55.00 will be paid by the middle of every month. Attached is Money Order \_\_\_\_\_ for \$55.00.

Thanking you in advance.

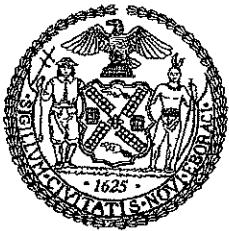

Yours sincerely

Dear Director, For Mr. Scott Stringer:

**RE: ALROY RICHARDS, CLAIMANT, FILE No.: 2019-PI024392**  
**Vs. CITY OF NEW YORK, and the NEW YORK POLICE DEPARTMENT**

Subject refers, and in reference to your 09/12/2019 correspondence. Complainant is most grateful, that further investigations will be undertaken. The Claimant wish to point out the following (may be additionally):

- (a) That on the Police Reports 2018-001-01679, the N.Y.P.D. had indicated **"YES"**, to question of whether the material C.C.T.V. images would have been viewed.
- (b) Claimant has a prior unrelated serious injury (before incident on 03/09/2018), involving the ***cervical (herniation of) 6 discs, mostly in the neck, followe, then back, affecting spinal column***, and causing many maladies. Even though unrelated, **M.R.I.'s exist**, confirming same, as well as plethora of Medical Records, from: Neurologist, Pain management Physician, Bone Doctor, as well as from chiropractor, inter alia. Assailant, and Security Resources, did no justice (aggravated said), when the Physical Attack occurred. Hence, Claimant's overwhelming "over reach" to have matter by N.Y.P.D. properly investigated, to ease state of mind of Claimant, and to have full closure. Important, to Claimant.
- (c) Claimant thought of disclosing telephone numbers called, and which called him, relative to pages 5-6, of his "Notice of Claim". These details are attached, as further Appendix.

Thanking you kindly, and continue to pray, that there will be positive resolution, in the issue.

Regards.

Yours sincerely

ALROY RICHARDS

Complainant

Vs.

CITY OF NEW YORK aka OFFICE OF THE NEW YORK CITY COMPTROLLER

Respondent #1

NEW YORK POLICE DEPARTMENT aka N.Y.P.D.

Respondent #2

PLEASE TAKE NOTICE, that I, ALROY RICHARDS, herein called the **COMPLAINANT**, is bringing forth this material complaint, against the **CITY OF NEW YORK**, herein addressed as **OFFICE OF THE NEW YORK CITY COMPTROLLER**, enjoined (now being apprised), herein called **RESPONDENT #1**, or NYC COMPTROLLER, and subsequently including the **NEW YORK POLICE DEPARTMENT** (nominal), also known as the **N.Y.P.D.**, as **RESPONDENTS #2**. This Complaint arose from an incident, in which the Complainant was **PHYSICALLY ATTACKED**, by a civilian Manager, **Mr. JOSEPH KATANGA**, whom is employed to the Security Resources. Despite making the complaints against Mr. Joseph Katanga, and Complainant was issued a N.Y.P.D. Police Report (#2018-001-01679), that no other required actions were executed by the N.Y.P.D., which, in view of the Complainant, is a travesty of justice, given the situation, and ensuing developments.

I, ALROY RICHARDS, Complainant now further state:

- That my address is 179 Elm Street, Valley Stream, N.Y. 11580, having arrived in the United States of America, in October 2016 (first time in the U.S.).
- That I worked as a Security Officer for Security Resources, their N.Y. address, and place of the crime, being at **40 Exchange Place, Suite #1700, New York, N.Y. 10005**, and that my tenure was from 10/16/2017 – 03/09/2018; being terminated on 03/09/2018, subsequent to a **PHYSICAL ASSAULT** on my person, on **Friday 03/09/2018**, at

EXH. 30

approximately 16:56 hrs, or so, by a Mr. JOSEPH KATANGA, Manager, of Security Resources.

- That the Complainant was called to the Offices of Security Resources, to sign massive amounts of documents, being forced to do so, without reading those documents. Complainant was verbally abused, at the same location, by said Mr. Joseph Katanga, before the attack, and that the Complainant asked that he be allowed to read the documents, and that Fifth Amendment notions apply. This Complainant arrived at material location at 1640 hrs, on said 03/09/2018. Ms. Shauna Leeks, Human Resources Supervisor, whom asked Complainant to attend on the Office, and whom was meeting with Complainant (after which Mr. Katanga joined the meeting) had to ask Mr. Joseph Katanga's "excuse", in removing Complainant, to another Office, nearby.
- This is when Ms. Shauna Leeks brought Complainant to her Manager, Ms. Irma Mercado (Human Resources Administrator), and Ms. Irma Mercado then "tried" to have Complainant sign document, in presence of Ms. Shauna Leeks – Mr. Joseph Katanga "being avoided" for this phase of the meeting, as both managers left Mr. Joseph Katanga in his Office, some twenty five (25) feet, or so away. Complainant never felt it was required to sign these quantity of documents, without reading them.
- That, whilst Complainant, Ms. Shauna Leeks, and Ms. Irma Mercado were in a cordial discussion, and without notice, permission, nor "being party" to the meeting, Mr. Joseph Katanga came to that area, by Ms. Irma Mercado's Office, and physically PUSHED, PULLED, DRAWN, and HOISTED Complainant, in his WAIST BAND, and NECK (collar of shirt), *without provocation, without reason, aggressively, boisterously, threateningly and violently*. Mr. Joseph Katanga then dragged complainant more than twenty (20) or so feet, towards the hall way.
- That the Complainant DID NOT RESIST, HOLDING UP BOTH ARMS (in the air), as Complainant was violently dragged, by Mr. Joseph Katanga, to the "common area" or company's foyer. Complainant had to be rescued by close to ten(10) or so staff, as they beckoned to Mr. Joseph Katanga, to physically release the Complainant. Mr. Joseph Katanga then released his illegal, malicious and destructive hold of the Complainant, and beckoned that the Complainant exit to the hallways, to be "further attacked", by Mr. Joseph Katanga.
- This matter took place, under FULL VIEW of two(2) – three(3) FULLY FUNCTIONAL, and FULLY OPERATIONAL CLOSED CIRCUIT TELEVISION (C.C.T.V.) CAMERAS. Complainant then called the police, by cellphone, as the Complainant remained in the "common area" or foyer, in fear of his life, as Mr. Joseph Katanga paced the area violently, further "threatening" Complainant, and "suggesting" that Complainant exit, even waiting in hallway, for the Complainant. Staff present, had to be "guarding" Complainant, and

EXH. 30

asking Mr. Joseph Katanga to go back to his Office, and "not further attack" the Complainant.

- The **N.Y.P.D. arrived** at the crime scene (location) at approximately **18:15 hrs**, or so, in the form of **Officer JONATAHAN PASTORIZA** and another male N.Y.P.D. Officer. Please be advised, that the Complainant has no wish whatsoever to tarnish, malign or sully Officer Jonathan Pastoriza's reputation, career, credibility, nor integrity; never Complainant's purpose. General concern is with the N.Y.P.D. and whether the actions (of N.Y.P.D.) were reasonable, or Constitutional.
- Upon arrival of the N.Y.P.D., the reported accused, **Mr. Joseph Katanga, was standing in the "common area" or foyer of Security Resources, facing the police**; Complainant was also present, and so were the staff, and senior Managers. Police present, then asked material Complainant to explain what took place, at which Complainant informed the N.Y.P.D. of the developments. Managers of Security Resources, whom were still present, also gave explanations to the N.Y.P.D. present.
- **Complainant then pointed out the alleged accused, Mr. Joseph Katanga, to the N.Y.P.D. present.**
- **Complainant also pointed out the C.C.T.V. present, to the N.Y.P.D.,** and told the N.Y.P.D. present, that the cameras are fully functional, and fully operational. **The N.Y.P.D. present then asked the Managers to view the images, to which the Managers indicated that viewing, and recording, is being done from another location.** Thus, the N.Y.P.D. present, intimated that this viewing would have been done, as soon as possible.
- **N.Y.P.D. then took further details from the Complainant, near 18:30 hrs. N.Y.P.D.** present, **departed** the general location, at approximately **18:34 hours**, or so, along with the Complainant. In the presence of the N.Y.P.D., the Human Resources Administrator, for the Security Resources, Ms. Irma Mercado, then informed the Complainant, in the presence of the N.Y.P.D., that his services is being terminated, for calling the N.Y.P.D., to the crime scene/location.
- **No further interviews were conducted by the N.Y.P.D. present, nor any subsequent canvassing, neither were any signed statements obtained**, citing any potential Constitutional rights (which does not preclude the Miranda Rights) inclusive of that from the Complainant, and/or the alleged accused, after caution, or advising of such.
- A **N.Y.P.D. Police Report #2018-001-01679**, was requested, and obtained, by the Complainant (copy attached); obtained by Complainant on 03/19/2018, from 1 Police Plaza, New York, N.Y. 10038. Surprisingly, **portions of the second page were REDACTED, by the N.Y.P.D.** Complainant questioned the purpose for the redaction, of crucial information, but was not given any satisfactory answers, by the N.Y.P.D.

being  
EXH-30

- That the N.Y.P.D. Police Report #2018-001-01679 did not capture, neither summarise, nor explain the true nature of the development, or PHYSICAL ATTACK, on the Complainant, by Mr. Joseph Katanga. Complainant's information were provided, but the following were missing from the N.Y.P.D. Police Report #2018-001-01679: FULL NAME OF ASSAILANT, ADDRESS (email), AGE, PHYSICAL DESCRIPTION, and OTHER CHARACTERISTICS OF ASSAILANT, ASSAILANT'S VERSION OF EVENTS, Security Resource's Manager's or staff version of the events, inter alia.

As a consequence, the Complainant made *several* follow up visits, to the First Precinct, located at 16 Ericcson Place, New York, N.Y. 10013, as well as speaking to N.Y.P.D. personnel – jurisdiction within which the crime took place. *Many letters attached* for further referencing. Nothing positive nor transformational emerged. In addition, Complainant was directed to, and *attended on the N.Y.P.D.'s 1 Police Plaza* location, *several times*, in addition to telephone conversations (date, time, personnel, furnished later in this material Notice), but to no avail.

Correspondence include that to First Precinct's Captain Angel L. Figueroa, and N.Y.P.D.'s Headquarter's Chief of Department, Mr. Terrence Monahan. Further, extensive contact (meaning on several occasions) were made with Internal Affairs Bureau (I.A.B.) – names of these personnel, are to be listed further in this presentation. Complainant also spoke to (and wrote) Sgt. Abraham Caraballo, Investigator assigned to the matter, of the First Precinct; copy also attached. Is it that the mantra to: serve, protect, and reassure, are just fallacies? Are they only Proprietary Rights, to only some persons, may be (just may be) based on creed, religion, nationality, where you were born, gender, sexual orientation, race, color, education, or, may be for simply finally "having a voice"? Just now, Complainant is only embarking on hypotheses. Assumptions; simply. The N.Y.P.D. is not proving, or has not proven the Complainant wrong.

**Profiling may be? Why? Is this legal? Verifiable, truthful? No disdain, nor dislike involved? No ridiculing?**

Hence, Complainant directed his complainants to the Civilian Complaints Review Board (C.C.R.B.), where file #2018-02618 was generated at the C.C.R.B. Based on these interactions, the C.C.R.B., via its (copy attached) 04/05/2018 letter, directed the Complainant back to the N.Y.P.D. for "further review". Further developments (which are not limited to these) are:

- Acquisition of N.Y.P.D. Police Report #2018-001-01679. Despite indicating if N.Y.P.D. WILL PROSECUTE, and NARRATIVE being YES, no *further actions by N.Y.P.D.*, to date. Copy attached. Redaction by N.Y.P.D. never openly justified or substantiated, with any qualifying reasons, material to complaint, and matter at hand.

EXH-30

- Complainant's 03/24/2018 two(2) page letter to the N.Y.P.D. Officer in Charge, at the **First Precinct**; copy attached. No actions by N.Y.P.D., and no "real" efforts to contact Complainant.
- Complainant telephoned C.C.R.B. on 04/04/2018, at 1125 hrs, where he spoke to female (only for descriptive purposes, for ease of reference; no chauvinistic remarks intended) Officer Taylor.
- C.C.R.B.'s 04/05/2018 one(1) page letter to the Complainant, referring Complainant back to the N.Y.P.D. Please see contents, which does not allude to, nor alleviate, the *"pain", suffering, embarrassment, loss of dignity, damnation, and humiliations (loss of humanity)*, being suffered, by the Complainant. No aspersions being casted. Copy letter attached.
- Complainant again telephoned the C.C.R.B., on 04/18/2018, at 1225 hrs, where Complainant spoke with Officer Bichardo (female – disclaimer again being used, as in above). Officer Bichardo then told the Complainant, that the file has been sent to N.Y.P.D.'s Chief of Department's Office, on 04/05/2018.
- Complainant's 04/19/2018 two(2) page letter to Director of Investigations, Chief of Department, at 1 Police Plaza. Copy attached.
- Complainant's 04/28/2018 email thread, between Complainant, and Sgt. Abraham Caraballo, of the N.Y.P.D. First Precinct. Copy attached. This contact was subsequent to Sgt Abraham Caraballo's telephone call to the Complainant, on 04/28/2018, at 2042 hrs. Nothing else materialized.
- Complainant's 05/04/2018 letter to Sgt. Abraham Caraballo, of the First Precinct, copied to C.C.R.B.'s Eshwarie Mahadeo, Director of Case Management (C.C.R.B.). Copy attached. No further actions seen by Complainant, neither was Complainant further contacted.
- Email by Sgt. Abraham Caraballo of the First Precinct, by telephone, on 05/07/2018, at 2151 hrs. Copy attached. Sgt. Abraham Caraballo indicated to the Complainant, that appropriate "follow up" will be done, by the N.Y.P.D. Was this true?
- Complainant's 06/11/2018 three(3) page letter to Mr. Terrence Monahan, Chief of Department, and copying Capt. Angel L. Figueroa, of the First Precinct. Copy attached. No effective actions by the N.Y.P.D., and no further contact, by the N.Y.P.D. Spoke to a Det. Corporal S. Halk (shield #7399), whom collected and signed for the documents being delivered, by the Complainant, to 1 Police Plaza.
- Complainant's 06/13/2018 telephone call at 1500 hrs, to N.Y.P.D.'s Chief of Department's Office. First spoke to Cadet Officer V. Felix. Later called Internal Affairs Bureau (I.A.B.) and spoke with female (no discrimination meant - only for descriptive and reference purposes) Officer FTAA Page.

EXH. 30

- 06/14/2018, Complainant again telephoned Chief of Department's Office, and spoke with Cadet Officer Mr. Michael Richards, at 1114 hrs.
- On 06/28/2018, Complainant telephoned Chief of Department's Office, and spoke to Cadet Officer Pena, at 1110 hrs. Referred to Detective Irquhart, whom referred Complainant to Office of Sgt. D. Murillo, of Internal Affairs Bureau; no calls returned to Complainant, despite leaving messages, for Sgt. D. Murillo.
- Then, Office of Deputy Commissioner of Legal Affairs one(1) page letter dated 01/15/2019, outlining some reason for the Non-Disclosure of pertinent information in the initial N.Y.P.D. Police Report #2018-001-01679. Subsequently, a "new Police Report" was attached, similar, or verbatim, to the original, excepting that it was NOW UN-REDACTED; copy attached. No additional relevant or crucial details were enclosed. Amendment was rather insignificant.
- Complainant is not pursuing issue, based on an Article 78 Proceeding; ninety(90) days for State (Supreme) Court, would have already reasonably elapsed, unless exceptions may abound, or may be "overridden", with qualifying reasons.

Please note the sequence of events. Now, not only is the Complainant new to this jurisdiction, but Complainant was, and is presently representing himself. As Pro-Se, it is reasonable to conclude, and to see, that the Pro-Se Complainant had been in Distress, suffering, and not recovering from not only the 03/09/2018 Physical Attack on him, by Mr. Joseph Katanga, but the N.Y.P.D.'s actions, or inactions. "Complications" resulted, over a rather distinct and solvable matter. Complainant had no remorse expressed to him, by the Assailant, neither his employers. No reasonableness were extended, nor exercised. Complainant had not agreed not to pursue matter, nor did he indicate a need, NOT TO PROSECUTE. No resolutions were attempted, or worked out, in any event. This more than compounded suffering, and Emotional Distresses, for Complainant.

The contents of the various correspondences, outlined that the N.Y.P.D. could have done much more, in pursuit of this issue. In the view of the Complainant, they N.Y.P.D. failed to have served, protected and reassured the Complainant. It is a travesty of justice, in its blatant form. Hence, the following additional points (and RELIEF BEING SOUGHT), regarding MISSTEPS, by the N.Y.P.D. (CAUSATIVE ACTIONS, and or EFFECTS), in the development:

- Complainant had a right to be informed of documents relating to the outcome of every step of the investigations. This included (but is not limited to): whether N.Y.P.D. Officers on the crime scene, were wearing body cameras, whether interviews were done for witnesses, Managers, and Supervisors of Security Resources, how did investigations come to indicate that the N.Y.P.D. was absolved of any 'wrongdoing' in the issue, what about minutes, or notes from hearing, or meeting(s)?

EXH-30

- The N.Y.P.D. intentionally and recklessly acted, causing Emotional Distress, to Complainant.
- The N.Y.P.D. caused Emotional Distress to Complainant, through "reckless acts", in the matter.
- Conduct of the N.Y.P.D. is seen to be "extreme", and outrageous, relative to the Complainant, in the issue. It went beyond all reasonable or possible bounds, of decency.
- That the resulting situation is one that any reasonable, rationale human being would have to put up with, nor tolerate.
- The N.Y.P.D. knew that the Complainant would have been probably susceptible to Emotional Distress, from their actions, or lack of actions, in the matter.
- Was this an isolated incident, or is the Complainant being profiled, whether prior to the incident, reported on 03/09/2018, or subsequently afterwards?
- That the N.Y.P.D. had the authority, and power (still do), had access to all resources, and information, but failed to have acted in the best interests of the crime victim, being the Complainant.
- The resulting suffering by the Complainant is not short-lived, is intense (severe), and continues to this day.
- Reaction, follow up (as directed – by N.Y.P.D.) of, or by the Complainant, isn't unusual, in such circumstances.
- Isn't it that the N.Y.P.D. "owe a duty of care", to all citizens, irrespective?
- Does the N.Y.P.D. has "some sort of relationship", with Security Resources, or with the Assailant, Mr. Joseph Katanga? Is it "Conflicts of Interests", as stipulated by the City of New York?
- In relation to the Complainant, is this "reaction" to the Complainant, by the N.Y.P.D., distinct to, or differ, from any other general police responsibility that the N.Y.P.D. has with the general public, at large?
- Has the N.Y.P.D.'s actions, or inactions, minimized my fears, and the ("unnecessary) risk that I faced, or potentially continue to face?
- Actions of the N.Y.P.D., in the issue, appear pre-disposed, calculating, arbitrary, egregious, and callous.
- Officer Jonathan Pastoriza had Supervisors, Senior Supervisors, Lieutenants, Commanding Officer, and personnel at the Corporate Levels (Police Plaza), whom could have intervened, but whom chose not to, with respect to the Complainant.
- N.Y.P.D. failed to have viewed the critical C.C.T.V. images, as in any normal situation of crimes, reported to the N.Y.P.D. What if the Complainant was "making public mischief" (using an engaging statement, to show degree of wanton abnormality, in how

the N.Y.P.D. handled the matter)? N.Y.P.D. even went as far as to comment on body cameras for N.Y.P.D. on the crime scene, but nothing about the C.C.T.V. images, at the crime scene – HOW IRONIC? EXH-30

- Finally, the N.Y.P.D. took the time out to respond (as per their 01/15/2019 one page letter, to Complainant), but has not responded to the many questions, and concerns, from the Complainant, in his many “brief meetings”, and correspondence, to the N.Y.P.D., which were concise, distinct, and direct.
- A travesty of justice, for the Complainant, as pro-Se, in this apparent operation by pre-text, by the N.Y.P.D.
- Complainant does not object to a 50-H.
- Letter of TERMINATION, consisting one(1) page, was issued to Complainant, by Security Resources, “blaming” Complainant (*for calling the police*, subsequent to the Physical Attack, on his person), and “*accusing*” Complainant of his “*behavior*”, which reportedly caused the termination. Quite untrue. Complainant was attacked, and Complainant called the police, resulting in Retaliations; the Termination.
- Welfare of, and other aspects of Complainant’s life, are being significantly impeded, consequent to/from these material precipitating actions (matter at hand) against, or towards him.

Consequently, and in pursuit of the matter, Complainant felt that the N.Y.P.D. erred, and the Complainant is seeking DAMAGES, as a result. This position by the Complainant, is not unreasonable. Therefore, Complainant has no issue with a 50-H, by the relevant arbitrators. Complainant, in his “very limited knowledge”, is of the view that serious Intentional and Negligent Emotional Distress resulted, for him, relative to the N.Y.P.D. Complainant is also of the view, that Title 7 of the 1964 Civil Rights Act, is or was breached. By the N.Y.P.D., where the Complainant is concerned. Also, breach of Administrative Processes, and breach of Due Processes. The Complainant would probably, as this juncture, introduce the Age in Discrimination Act of 1975; not as yet. It is mostly Title 7 Act. Complainant now seek damages for:

EMOTIONAL DISTRESS	-	\$500,000.00
BREACH of DUE PROCESS	-	\$250,000.00
BREACH OF ADMINISTRATIVE PROCESS	-	\$250,000.00
BREACH OF TITLE 7, 1964 CIVIL RIGHTS	-	\$500,000.00
BREACH OF GOOD FAITH	-	\$200,000.00
RETALIATIONS	-	\$300,000.00

\$2,000,000.00

EXH. 30

Or, seeking an award of two(2) million dollars (\$2,000,000.00) plus interests, and with any other relief, that the arbitration deem necessary, proper, and just, to the Complainant.

Attached hereto, are **Appendices**, as **EXHIBITS**, but which may not be limited to these matters only - case files, and Laws (Principles/Statutes) to be further perused.

Complainant is looking forward to the processes, and do pray that his dignity, humanity, decency, and Rights, would have been restored, and upheld.

**WHEREFORE**, the deponent prays that the arbitration process will review the Complainant's facts, and requests presented, for the matter to be upheld in favor of the Complainant, and the requisite awards be made. Once the damages can be attempted, or shown to be improving, then the healing process will commence. Complainant does not wish to distort, mislead, or misinterpret any matter, nor to be disingenuous, and that the claims in narratives, are not frivolous, culminating in the award being claimed. Let us all endeavor in adhering to the concepts of non-discrimination, equal opportunity, diversity, and inclusiveness, inter alia. There are other matters that could have been mentioned. However, and if necessary, may be concept of Qualified Privilege would have been best employed, in order to execute same.

Mr. Scott M. Stringer  
New York City Comptroller Or His Nominee  
c/o 1 Centre Street, Suite #1225  
New York, N.Y. 10007

Dear Mr. Scott M. Stringer Or His Nominee:

**RE: ALROY RICHARDS – Civilian COMPLAINANT, PHYSICAL ASSAULT On 03/09/2018  
Assault Perpetrated By A Civilian MANAGER, Of SECURITY RESOURCES  
NYPD POLICE REPORT #2018-001-01679  
CIVILIAN COMPLAINTS REVIEW BOARD (C.C.R.B.) File #2018-02618  
F.O.I.L. REQUEST #2019-056-00497**

Good day to you. I will be as brief as possible in my final endeavours to seek justice, in again reiterating the **March 9, 2018 PHYSICAL ATTACK**, on my person, by one **Mr. JOSEPH KATANGA**, Manager/perpetrator, of Security Resources. This took place under Closed Circuit Television cameras (fully operational, fully functional), a disclosure which has not only been told to the N.Y.P.D., upon their arrival on the material evening in question, at the "crime scene". In addition, my many correspondence (please see these attachments) repeatedly highlighted this important domain, to the N.Y.P.D.

***Consequently, I am left with no choice, but to report to the New York City Comptroller's Office, and by extension, N.Y.P.D., the reprieve in bringing to this matter to an appropriate, accountable, justifiable, unbiased, and effective closure, within THIRTY (30) DAYS of the receipt of this letter (whenever reasonably expected to receive), dated September 6, 2019; enclosures contained herein.*** These enclosures will be further listed, later in this crucial presentation. Also attached is a ***FORMAL COMPLAINT***, supporting ***AFFIDAVIT***, as well as the ***REMEDIES*** or ***RELIEFS BEING SOUGHT***, by this Complainant. Presently, the reported accused, Mr. Joseph Katanga, has not been arrested, despite the N.Y.P.D.'s commitment, in their POLICE REPORT #2018-001-01679, of ***March 19, 2018***, and revision, ***January 15, 2019***.

In the first Police Report provided to this Complainant, specific information were **REDACTED** by the N.Y.P.D., without any reason, nor justification (to be later contested by Complainant, with proof of Laws, and EXEMPTIONS, inter alia). The reported accused information were not

EXH. 31

detailed, but which are not limited to: **age, physical description, other characteristics, demographic details**, etc. Alleged accused, Mr. JOSEPH KATANGA, was present on the evening in question, upon arrival of the N.Y.P.D., at Suite #1700, 40 Exchange Place, New York, N.Y. 10005, and was pointed out, to the police, by this Complainant. Matter caused Complainant to embark on a plethora of meetings, visits, correspondence, and academic protests, all of which will be further detailed, in the presentation. Complainant was further **dehumanized, embarrassed, severely distressed emotionally, felt aggrieved, humiliated, lost dignity**, seemed to have had **no Rights**, to name a few, despite being attacked, by this civilian. Actions, or inactions of the N.Y.P.D., has not brought closure, nor have restored semblance of humanity, to the Complainant. In view of the complainant, the actions of the N.Y.P.D. are rather deliberate, given the magnitude of **Good Faith**, exemplified the repétitive nature of Complainant, trying to obtain justice, in this scenario, etc.

Complainant now rest his case, but have enclosed all the necessary matters, to show congruence, merit in his case, apparent malice, and prejudice by the N.Y.P.D., towards the Complainant, amongst other things. Interestingly, the N.Y.P.D.'s penchant is not far, in any issue of profiling of Complainant, something which is illicit, in the State of New York, for self serving, malicious, or hateful purposes. In other words, it would seem that the Complainant is being further handed chagrin, by the N.Y.P.D., relative to the Attack, and subsequent developments, instead of serving, protecting, and reassuring. Complainant have noticed, in comparison, that the N.Y.P.D. have reacted to other matters "lesser in weight", with seriousness, and finesse, even without any presented verifiable proof. Are they being consciously selective, or are "predisposed" to certain individuals? Later will be expounded on later, by the Complainant.

Regards.

Yours sincerely

**ALROY RICHARDS**

**RE: ALROY D. RICHARDS – CIVILIAN COMPLAINTS REVIEW BOARD #2018-02618  
 NYPD POLICE REPORT #2018-01-01679**

Reference is made to the subject. I last spoke with you on June 28, 2018, with respect to the lack of the police's actions, in the material compliant, which appears to be an ongoing issue. My last set of correspondence was on May 8, 2018, which was addressed to Sgt A. Caraballo, of the NYPD 1<sup>st</sup> Precinct, located at 16 Ericcson Place, NY 10013; still I have not received any satisfactory responses. In addition, there exist my formal complaint, to Mr. Terrence Monahan, Chief of Depart (N.Y.P.D.), at 1 Police Plaza, which last dated June 11, 2018, and which did not seem to have even initiated any investigations.

These requests for a more effective and unbiased investigation, were based on the Freedom of Information Law (F.O.I.L.). Despite my many questions (which, by the way, were not answered), I wasn't given any answers. No details as to the reasons for the original outcome, in the matter, were provided to me; obviously then, it was arbitrarily done ("whim and fancy"). It would have been excellent for the police to have formally outline, with supporting documentations, the reasons for the conclusions reached. I am still awaiting those.

Obviously then, there is disdain, and predispositions towards the complainant – for reasons that I am unaware of. There exist too much hate in today's society, and most of which, under any circumstances, does not qualify for the "American dream" (equity, equality, interalia). I now rest my queries (my last letter), as obviously, this is quite a "unique", or "different matter". Kindly stamp and return an attached copy of this (material) letter, as an indication that I am again registering (my final) complaint, to the New York Police Department (N.Y.P.D.). This will be kept in my personal information, complied in the issue.

Regards.

Yours sincerely

2018 JUN 11 P 10 36  
POLICE DEPARTMENT  
CITY OF NEW YORK

Taken by DET. S. WALK

Good day to you. I now make reference to N.Y.P.D. Omniform System, **Complaint Report #2018-001-01679 (copy attached, for ease of reference)**, which is dated **March 19, 2018**. This precipitated from an assault on my person, on **Friday March 9, 2018**, at approximately **1658 hours**. Matter took place at the Offices of **Security Resources** (my employer at the material time), located at **40 Exchange Place, Suite #1700, New York, NY 10005**. The action (attack on my person) was unduly, rigorously and violently executed by a junior Operations Manager, later said to be a **Mr. Joseph Katanga – suspect, in full view of junior staff, supervisors, and senior Managers**. On the day in question (March 9, 2018), I was called to the Exchange Place Office, by a Human Resources Supervisor. Upon my arrival there, a swift meeting ensued (without any disclosure as to reasons, inter alia), between myself, that Human Resources Supervisor, and the suspect. I was being asked by the suspect, to sign some documents, which I did not read, neither were contents explained to me. Hence, I simply asked for time to peruse the contents, citing possible duress, and my Fifth Amendment (Constitution), quoting the need for transparency, and not incriminating myself, in any process. In my failure to do so, I was attacked by the suspect, Mr. Joseph Katanga.

In their investigations, I noted that the police did not question, nor interview material witnesses, that were present, as at the material time. The threats, and threatening actions that followed from the suspect; **Closed Circuit Television (C.C.T.V.) images**, certainly, does not augur well for **serve, protect, and reassure**. After all, I am a new immigrant (since October 2016), and it is my first time in this country, and is seeking the right pathways, through the different mediums, in all my endeavors. **I was never offered a statement for signature, by the police**. Surprisingly, the **suspect paced an area I was seated in, by the front desk area, as he paced, constantly**

***approached me, in a more than threatening manner, as I sat, in fear, waiting on the arrival of the police team(s), subsequent to his attack, that said (material) evening. C.C.T.V. images will confirm all that I am reporting, inclusive of actions of the (aggressive) suspect, as recordings from two(2) fully functioning C.C.T.V. cameras, are seemingly available.***

Consequently, **N.Y.P.D. police officers, arrived near 1815 hours, led by Officer Jonathan Pastoriza, reportedly of the 1<sup>st</sup> Precinct.** Upon their arrival at the material location, on the evening in question, I explained to the police officers what took place, and ***pointed out the suspect, Mr. Joseph Katanga, as the person whom had attacked me, in full view of the police officers, staff, and all Managers***, and asked that I be allowed to make a formal report. During the time that the police were present at the location, ***I made constant reference to the two(2) C.C.T.V. cameras, which would have captured all the events*** (pointed them out). Additionally, I mentioned to the police (in the presence of all the witnesses mentioned), that accountability should be key, as there could be other implications, and that the suggestion is that the images be viewed. Your police team then asked the senior Managers present, where can the images from the recordings be viewed (glancing around, and glancing into the nearby offices, whilst being stationary. **They (police) asked for the C.C.T.V. monitor, and was told by Security Resources Managers present, that "viewing is from another site, not at this location".**

Subsequently, I gave a verbal report, in more details, to the N.Y.P.D. (via Officer Jonathan Pastoriza), and received Complaints Report #2018-001-01679. ***As I looked at the police report given to me, whilst at Police Plaza, I realized that parts of the report were obscured (by human action), and that critical details were left out.*** Therefore, I questioned the police officer handing me the report, on March 19, 2018, at 1 Police Plaza. He told me that I needed to get in touch with the police, at the 1<sup>st</sup> Precinct. I followed the information given to me, by the police officer at 1 Police Plaza, and attended on the 1<sup>st</sup> Precinct, several times, as a follow up, in all respects. ***I wrote a letter to them, dated March 24, 2018*** (copy attached, for ease of reference). No further details were remitted to me.

As a consequence, I contacted the **Civilian Complaints Review Board (C.C.R.B.)**, on **April 4, 2018**, where case **#2018-02618** was generated, by that office, based on my complaints. The **C.C.R.B. wrote me a letter, dated April 5, 2018, outlining that the matter was referred to the Chief of Department, N.Y.P.D.** Subsequently, a **Sgt. Abraham Caraballo** of the 1<sup>st</sup> Precinct, ***sent me an email dated May 7, 2018 (copy attached for ease of reference).*** I also spoke with ***Sgt Abraham Caraballo on that evening (May 7, 2018) by N.Y.P.D. landline.*** His pronouncements were that ***"Officer Pastoriza was cleared"***, and that ***"the police officer in question, reportedly followed police (N.Y.P.D.) guidelines"***. I made it quite clear to Sgt. Abraham Caraballo, and all others persons that I spoke to, that my intention is to receive, in writing, official police policy, objective, and mantra, relative to the said matter, at hand.

EXH. 35

Please note my specific requests, under the FREEDOM OF INFORMATION LAW (F.O.I.L.), in my May 8, 2018 letter, contents of which should be duly noted (will not be restated, due to length – space), as this matter is extremely crucial to me, as a resident living in this great state (of New York), and country (the United States of America). A file was already constituted (by virtue of compilation, and submissions), and submitted, to the 1<sup>st</sup> Precinct – see Sgt. Abraham Caraballo.

Henceforth, I made a visit to the C.C.R.B. on June 1, 2018, again complaining of the “apparent manner” in which I was being treated, and in the police handling of the situation. Most important also, is the undated letter, from Security Resources, March 2018, reportedly terminating my employment, reportedly “based on my alleged insubordinate behavior”, at their Manhattan Office, on material day (March 9, 2018), culminating in need for police presence, to escort me, from their offices” (end of quote/paraphrase). Can you believe this? Now, irrespective (police not involved in employer/employee matter), the company is invariably accusing me of WRONG DOING. Hence, I asked for certain information, from the police, such as: what time was (my) call received on evening in question, responding police team, what time did they arrive at location in question, whether the police officers were wearing body cameras, whether suspect was interviewed, whether any other witnesses were interviewed (staff, and Managers of Security Resources were present, on police’s arrival), why were there no follow up on C.C.T.V. viewing (request), shortcomings in police report issued to me (to be addressed, by the police), my request for notes on supervisory interview with Officer Jonathan Pastoriza, since he was apparently “cleared”, minutes from such meetings, INTER ALIA.

It is untenable that given the responsibility of the police, to serve, protect, and reassure, that such disparaging, damning, and accusatory remarks, could be made by Security Resources. There could be serious implications, as, - what if the suspect (Mr. Joseph Katanga) now say that I had “attacked him” (hypothetical, of course)? What will the police do? Arrest me for such a report? Issue me a summons? Or, better yet, may be arrest me for public mischief? I am truly awaiting the answers I so seek, as it is my view, that there are may be “underlying” stereotypical, or biased reasons, for inactions – my view. Somehow, I WILL find out though. Seems my communications (phone, email, and my surroundings) are now “being tracked”; by whom?

Yours sincerely

'WITHOUT PREJUDICE'

Sgt. Abraham Caraballo  
First Precinct  
New York Police Department (N.Y.P.D.)  
16 Ericcson Place  
New York, NY 10013

Dear Sgt. Caraballo:

RE: **ALROY D. RICHARDS – Civilian Complaints Review Board File #OCD 2018-02618**

First, I make reference to our brief telephone discussion on Saturday April 28, 2018, regarding the caption, as well as your email on the same day (copy attached), followed by your emailed response dated Monday May 7, 2018 (copy also attached). Let me be clear to point out that matter is not with Officer Pastoriza, whom at the time, was acting as an agent of the state, and also an agent of your Department. I am in no way trying to discredit any police officer, nor to cast doubt on their credibility, integrity, or character. Please be advised, that I have 'worked along side law enforcement', at the highest levels, in my country of origin, for well over three(3) or so decades. Hence, I do understand that it is critical to point out my objective, which is questioning the police's official stance, and policy (written, verifiable, mutually agreement, along with supporting evidence), relative to my particular matter, or complaint, the nexus being Friday March 9, 2018, and thereafter.

- What are your guiding principles?
- What is the **official policy position** (which must have verifiable proof)?
- **Were Managers and staff of the location** in which the material incident took place, ever **interviewed**, inclusive of the evening in question?
- **Was the accused/suspect ever interviewed**, even after he was pointed out, by yours truly (well, yes, he could have opted to exercise his Fifth Amendment Rights)?
- What did I report to the responding police team, comprising Officer Pastoriza?
- Where are the **notes on the secondary investigations**, being carried out, by your (or other) Department, based solely on my complaints (letters, telephone calls, visits), that caused your final pronouncement of "**Officer Pastoriza has been found to be acting within NYPD guidelines, and is cleared of your** (meaning my – as in the writer's) **complaint against him**". Please be reminded that the complaint is not personally against Officer Pastoriza, nor any other police officer, of the NYPD.
- What evidence do I have to indicate, to the police (subsequently), that what I reported is the truth, and nothing but the truth"? This **include, but is not limited to Closed Circuit**

hmm

EXH. 36

**Television (C.C.T.V.) images.** Primarily, this would have shown action of the police officers, at the material location, and possibly the actions of other "actors":

- **Were the police officers wearing body cameras?** If so, why weren't this disclosed to me?
- **Am I not entitled to clear explanations, and information, as per Freedom of Information Law (F.O.I.L.)?**

Consequently, I am seeking further and better particulars, with respect to the following: time of calls to the NYPD, NYPD response team, police's actions (on arrival, whilst at location in question, and on departure), notes made, based on reports taken, interviews executed, summary, supporting evidences, and any other evidence deemed necessary, such as C.C.T.V., culminating in the arrival of your conclusions, and minutes from any meetings, which, under normal circumstances, can be released to the complainant. These are critical questions, and materials.

The preceding matter is to be taken seriously, as it is serious to me. My mailing address(es) have not changed. Now, what if the alleged suspect/accused now make a turn of events, and should say that it was I whom attacked him (to the point where he could even have been injured)? What would the police have done, thereafter? Kindly refer to the Letter of Termination, which I received from the said employer (Human Resources), submitted to the police, in many faucets in the matter. Isnt it self explanatory, and is already accusing me wrongfully of "misdeeds"? Take a look at it.

It is well within my rights to be asking for answers in this important event, from the police in general. My concerns should again be formally documented, and the relevant response(s) is/are being anticipated. I am feeling discriminated against; but can only wonder if it is the correct thing to perceive, if this is true.

Regards.

Yours sincerely

Dear Sir/Madam:

**RE: ALROY D. RICHARDS – COMPLAINANT  
COMPLAINT #2018-02618**

---

Reference is made to my initial contact with the NYPD's Civil Complaint's Review Board (C.C.R.B.), on April 4, 2018, where my matter was outlined to Woman Investigating Officer, Ms. Taylor. I awaited a response, and returned a call to that Office on 18<sup>th</sup> of April 2018, where I spoke to Woman Investigating Officer Bechardo. This is when Ms Bechardo informed me, that the file (complaint) was forwarded to your Offices, on 05<sup>th</sup> April 2018.

It is critical that I obtain closure in the matter, pursuing the advent of Restorative Justice. In particular (I am in no way suggesting that the police should use "unauthorized" or "unconventional means"), I wish for the police to view the Closed Circuit Television (C.C.T.V.) images, which I alluded to (well, two cameras, which would have captured the material event), and which was pointed out to the team of police officers (led by Officer Pastoriza), on the evening of Friday March 9, 2018. Believing that these matters are unheard of (action of suspect, whom supposedly lived in New York/United States a long time, has such position of responsibility, inter alia), I decided to pursue the matter, and is hoping that citizens can be guided accordingly, and that there are always easier and amicable resolutions to problems in society, leading to a more orderly society.

As such, I have attached the following, for your perusal: **Police Report #2018-0001-01679, letter to your Precinct #1** (at 16 Ericcson Place, New York, NY) **dated March 24, 2018**, and which I had delivered personally (to Woman Officer Francis), **letter of termination** (contents are important), from former employer (Security Resources), and **my response to them, dated March 19, 2018**.

Dear Mr. Richards:

This letter is to inform you that the Civilian Complaint Review Board (CCRB) acknowledges receipt of your complaint.

The CCRB has jurisdiction to investigate complaints filed against officers of the New York City Police Department that allege excessive force, abuse of authority, discourtesy or use of offensive language, including slurs relating to race, ethnicity, religion, gender, sexual orientation and disability. We have determined that your complaint does not fall within the Board's jurisdiction, either because the allegations do not fall within our jurisdiction or because the subject of the allegations is a civilian employee of the Police Department.

The Office of the Chief of Department (OCD) of the New York City Police Department reviews and processes complaints made against both uniformed and civilian members of the Police Department which questions their general performance of duties. Therefore, we have referred your complaint to the Office of the Chief of Department Investigation Review Section for processing. Once received at the appropriate investigative bureau, an investigator will contact you and will handle all further action regarding your complaint.

If you have any questions, please contact the police department at 212-741-8401. Thank you for your time and attention to this matter.

COMPLAINANT- MR. ALROY D. RICHARDS  
AGGRESSOR/ATTACKER – MR. JOSEPH KATANGA  
REPORTED PHYSICAL ATTACK/PHYSICAL HARASSMENT**

---

Good day to you. I am writing as a follow up to **the above matter, which took place on Friday March 9, 2018, between (1656-1658) hours, at 40 Exchange Place, Suite #1700 (17<sup>th</sup> Floor), New York, NY 10006**, being the offices of Security Resources. The matter was reported on the said evening, minutes thereafter. Subsequently, a team of police officers, led by **Officer Pastoriza**, arrived on the scene, where I gave my version of the happening. In addition, I pointed out the **suspect, Mr. Joseph Katanga**, to the police officers present, at that said office (on the 17<sup>th</sup> Floor), at 1819 hours. Further, I had also pointed to the two(2) police officers present, the **two(2) Closed Circuit Television (CCTV) cameras, in the material area, which would have captured the event.**

Consequently, the police officers inquired from all the managers that were present, regarding the CCTV images. At that juncture, the managers stated, to the said police officers, that the images were accessible, but not from that office – at material location. I note that in the police report provided to me, ***the name of the suspect has not appeared.*** I am most concerned, and is asking that the

images be viewed, for clarity. According to reports, Mr. Katanga has not been arrested to date, neither issued with any documentation, to appear in any court matter. It is my hope, that I can be given the necessary **service, protection, and reassurances. Equal opportunity, non-discrimination, diversity, and inclusiveness**, regardless of where we live, creed, color, class, nationality, religious affinity, status, inter alia. The Constitution and requisite Acts and Laws, guarantee me these rights, and privileges, of inquiring, and staying safe, and be free from these knowingly, intentional impositions. I am fairly new to this jurisprudence, but found the outcome a little unusual, in the outset, until now.

I have attached a copy of letter of termination, issued to me, consequent to the said event. Now anyone, irrespective, would have been concerned about their integrity, creditability, character, based on those (again) deliberate, untrue, malicious and "attacking" dispensations.

Looking forward to your response, as per Freedom of Information Law (F.O.I.L.).

Thanking you for your prompt attention. Please sign and return an attached copy of this two(2) page letter, as an acknowledgement that this document was received by your office, or invariably, by one of your appointees.

The Store Manager

Dear Store Manager:

**RE: ALROY RICHARDS – Incident Reported, for FRIDAY OCTOBER 4, 2019  
Regarding An Adult Male Suspect, Whom Attempted To Physically Attack Writer  
CLOSED CIRCUIT TELEVISION (C.C.T.V.) Images - POLICE REPORT #2019-070-006834**

Reference is made to the subject, which the writer had conveyed to your Store Managers, commencing Monday October 7, 2019. Subsequently, the writer made several visits to your Store, where I met with different Managers, on different shifts. These Managers were apprised of the incident, with full details as to date, time (6:29 pm), place of occurrence (front of Store, in foyer, but still within the Store), description of myself, as well as description of the suspect. Further, I had written correspondingly extensive details, with my signature, as part of the records, and had submitted said, to your Store. Information received from your managers, are that the police (N.Y.P.D.) would have to make the (formal) request to view the C.C.T.V., or even to visit your Store, with those intents.

The writer have visited the related N.Y.P.D. Precinct (#70), at Lawrence Avenue, where a Police Report #2019-070-006834 was subsequently generated, and given to me. A copy of this Police Report, was then submitted to your Store Manager's Office, by yours truly (Alroy Richards). Based on my research, and information, it would have appeared that the N.Y.P.D. have not visited your location, to view the C.C.T.V. images. Kindly let me know, if this was done, along with any other comments, in this important development, relative to the C.C.T.V. images, inter alia. My contact details have been provided above. It would have been good if formal correspondence (written reply) is done.

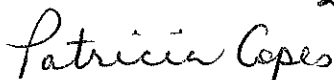

Thanking you in advance.

Yours sincerely

INCIDENT in Details

The subject refers, and the Claimant, Alroy Richards, hereby further provide additional details, with respect to the **Friday October 4, 2019 attempted Physical Attack on his person**, by an unknown adult male, at **Stop and Shop, Tilden Avenue** (near Flatbush Avenue), Brooklyn, N.Y. 11226:

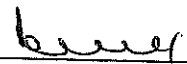

On Friday October 4, 2019, the Claimant attended on the said facility, named above, to purchase items. Claimant's mode of dressing were: dark blue pants, blue and white long sleeved shirt, multi colored necktie, army colored knapsack bag. Time of arrival of Claimant, at the material location, was closer to 6:10 pm, or so (spending close to twenty or so minutes, inside that facility). At approximately 6:29 pm, or so, Claimant was exiting the material facility. ***Upon reaching the foyer area (entry/exit, but still within the store), at the front of the store, an adult male, whom was waiting, in the exit closer to the road way (but still within the store), suddenly made large leaps, and positioned himself, in front the Claimant.*** This **suspect** was about ten (10) or so feet away, from the Claimant, prior, relative to the Claimant's position, in less than a literal second. Description of the suspect, were as follows: **African American, 5 feet 8 inches** or so in height, **140 pounds** or so, in weight, **unkempt hair, dark green winter jacket** (fully on, and front area closed), **light green pants**, with an **green colored knack sack bag**, fully fitted, to his back.

As the ***Claimant tried to move away from the suspect, by moving to one side, in a two (2) feet step, the suspect, repositioned himself, effectively blocking the path of the Claimant,*** by closing in, to (not by) less than a foot i.e. ***suspect was now a foot or so, from Claimant's face***

rather intentional actions. The N.Y.P.D. should take this seriously, but they haven't, leaving the Claimant living in <sup>more</sup> fear, anxiety, and undue stress. At all times, specific references were made, by Claimant, to the availability of the Stop and shop Closed Circuit Television (C.C.T.V.) images. Claimant has made more than four (4) visits to the store in question, subsequent to the incident, requesting that the Management procure the images; they have. Stop and Shop's Management constantly reported to the Claimant, that the images are available, and that the N.Y.P.D. are aware of such, and the protocol, and need embark on formal procedures, for retrieval of the C.C.T.V. images, on the development.

What if this suspect is actually dangerous, may be "wanted", or have executed actual attacks otherwise, which could have also been most serious. *N.Y.P.D. have many cameras in the area.* Claimant cant be seen taking photographs of such, for submission, due to the volatility in the area, and due to certain perceived activities, by unsavory, but dangerous characters. In addition, *other cameras, in the said vicinity, apart from those of Stop and Shop, are also available.* The N.Y.P.D. have not served, protected, nor reassured Claimant (constant, deliberate, and recurring), hence the Claims.

It is definitely due to previous complaints, made by the Claimant. Information given above is accurate, true and correct, to the best of Claimant's knowledge, is not frivolous, and which are "Without Prejudice".

PLEASE TAKE NOTICE, that I, **ALROY RICHARDS**, herein called the **COMPLAINANT**, is bringing forth this material complaint, against the **CITY OF NEW YORK**, herein addressed as **OFFICE OF THE NEW YORK CITY COMPTROLLER**, enjoined (now being apprised), herein called **RESPONDENT #1**, or NYC COMPTROLLER, and subsequently including the **NEW YORK POLICE DEPARTMENT** (nominal), also known as the **N.Y.P.D.**, as **RESPONDENTS #2**. This Complaint arose from an incident, in which the Claimant was almost **PHYSICALLY ATTACKED**, by a civilian, on **Friday October 4, 2019**. Venue (within) is the **Stop and Shop**, at Tilden Avenue and Flatbush Avenue, Brooklyn, N.Y. 11226. Matter was captured on **Closed Circuit Television (C.C.T.V.)** and are presumably available. Claimant reported matter, to the N.Y.P.D., and asked that, in the interest of his safety, that an investigation be launched, assisting Claimant to at least be able to possibly identify attacker, inter alia. **N.Y.P.D., apart from producing the Police Report, have failed to assist, leaving Claimant at further risks.** No other required actions were executed by the N.Y.P.D., which, in view of the Claimant, is a travesty of justice, given the situation, and that **a series of complaints, made by Claimant, in unrelated incidences, involving the N.Y.P.D., have culminated in this disdain treatment of Claimant, by the N.Y.P.D. Claimant has never seen adult male suspect before**, neither has Claimant had any feud, or disagreements, with anyone (else).

I, **ALROY RICHARDS**, Complainant now further state:

N.Y.P.D. POLICE REPORT #2019-70-006834  
REQUESTING CLOSED CIRCUIT TELEVISION (C.C.T.V.) IMAGES**

---

Reference is made to the subject, and subsequent receipt of your Police report, regarding this Friday October 4, 2019 matter. I visited the incumbent facility, in Flat bush, with the material report. The management is indicating, that unless the N.Y.P.D. make the request themselves, or present a document authorizing me to collect the available images, they would not be in a position to dispatch the result (C.C.T.V. images) to me.

Consequently, I am writing to make this request. In addition, I will also provide the Freedom of Information Law (F.O.I.L.) Unit (at 1 Police Plaza, New York, N.Y.) with a copy of this letter (dated 10/16/2019), in the event that the F.O.I.L. are the personnel with the fiduciary responsibility to do so. Either way, obtaining the images are crucial to my ensured safety.

Thanking you in advance.
